

## STOCKS AND BONDS

Operations Still Controlled by the Professional Traders.

## MARKET ON THE WHOLE SPOTTY

St. Paul, Union Pacific, New York Central, Reading and Amalgamated Copper the Leaders in the Day's Business—Close is Heavy.

(By Associated Press.)

NEW YORK, June 7.—Operations by a professional organization were still clearly discernible in the stock market today, and made up the largest proportion of the total dealings. The character of the trading made itself manifest by the concentrated nature of the orders in individual stocks. This accounted for the spotty appearance of the market and the intervals of idleness between spurts of activity in one stock or another.

The movements of individual stocks generally had some item of gossip to accompany them, but these lacked official confirmation and in some cases were clearly based on surmise.

St. Paul was still bought on belief in coming stock subscription rights and the known approach of a new issue of New York Central stock already authorized made the same explanation available for the movement in that stock. Union Pacific was the subject of rumors of a distribution by Southern Pacific from which it would benefit by its large holdings. Illinois Central was affected by belief in a dispute for control of the property. Reading and Amalgamated Copper moved under the influence of often repeated rumors and information. The realizing which more or less is.

evidence all day became more pronounced at the close of the day, and the closing was heavy.

## Chicago Grain Market.

CHICAGO, June 7.—An advance of almost two cents a bushel in the

price of wheat occurred here today as the result of urgent buying brought out by the numerous reports of damage to the growing crop. The market closed nearly at the highest point of the day, the July option showing a gain of 1 7/8 a 2 cents.

Corn was up 1 1/8 a 1 1/4. Oats were up 3/4. Provisions were 2 1/2 to 2 7/8 higher.

## Baltimore Produce Market.

## Sunday Observance.

Scene, Scotch farmhouse; time, Sunday morning.

Tourist (to farmer's wife)—Can you let me have a glass of milk, please? Milk is produced and consumed.

Tourist (taking some coppers from his pocket)—A penny, I suppose.

Farmer's Wife—Mon, dae ye no think same o' yersel' tae be buyin' goods o' the Sawbath?

Tourist (reproaching the coppers)—Oh, well, there's no harm done. I'm sure I'm much obliged. But won't you have the money for it?

Farmer's Wife—Na, na; I'll no tak' less than saxpence for breakin' the Sawbath!—Leeds Mercury.

## Washington and Harvard.

Washington received from Harvard college the honorary degree of doctor of laws. The distinction was voted by the president and fellows of the college at the meeting at Watertown April 3, 1876, "as an expression of the gratitude of this college for his eminent services in the cause of his country and to their society." The signers were President Samuel Langdon, Nathaniel Appleton, John Winthrop, Andrew Eliot, Samuel Cooper and John Wade worth.

## Didn't Know.

"There are some persons who cannot take a joke, but Sniggins is not one of them. A 'friend' acquainted with Sniggins' frequent changes of abode asked him which he thought was the cheaper—to move or to pay rent."

"I can't tell you, my dear boy," replied Sniggins. "I have always moved."—London Telegraph.

## Dust on a Pin Point.

A very simple experiment made by an eminent bacteriologist determines in a startling manner the potential dangers associated with accumulations of dust in living rooms. A pin point was used to convey as much dust as so small a vehicle will carry. This yielded no less than 3,000 colonies of living germs when cultivated on gelatin, and although fortunately every species was not representative of disease yet the majority were potent sources of decomposition and danger to health.—London Telegraph.

## TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Newport News.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and some times displacing them. This is the true cause of many bearing-down pains, lameness, backache, sideache, etc. Urine poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a Newport News woman tell you about Doan's Kidney Pills.

Mrs. F. Lochstamper, of 534 Third-street, says: "For six months pain in my back gradually increased until I was scarcely able to stoop, and to lift anything or any over-exertion hurt so that I was often in misery. Even the slightest cold increased the suffering and morning after morning I was so lame and sore across the loins that I could hardly attend to the slightest household work. I never was successful in getting anything which brought permanent relief until I went to Stearns' drug store for Doan's Kidney Pills. In a very short time they cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

In the temples—dull aches across the forehead—blurred vision—letters or lines running into one another—skipping of words or letters in reading—seeing objects double—flicking specks that come and go—aversion to bright light—a confusion of objects which can be relieved by closing the eyes momentarily—that tired feeling in and back of the eyes—inflammation in the minute veins covering the "whites of the eyes" are all symptoms of optical defects that we can remedy with a properly adjusted glass.
